

## ZQ-A9556 / ZQ-A9656

### PRODUCT FEATURES

- New and fashion design
- White and black colors optional available
- High resolution wide screen with multi-point capacitive touch
- Hidden cable inside-go-through design
- Optional secondary monitor solution
- MSR / Dallas key / Camera peripherals optional available

MSR (optional)

Dallas (optional)

Camera (optional)

### Specification

|                              | ZQ-A9556  | ZQ-A9656  |
|------------------------------|---|---|
| CPU                          | Rk3368 Octa-core 1.5GHz                             | Rk3288 Quad-core 1.8GHz                             |
| GPU                          |   | ARM Mali-T764, 600MHz                               |
| System                       | Android 7.1   | Android 7.1   |
| Graphical Ports              | LVDS, EDP   | LVDS, EDP   |
| Screen                       | 15.6" TFT LCD, 1920 x 1080 (max.)                   | 15.6" TFT LCD, 1920 x 1080 (max.)                   |
| Screen Angle Adjust          | 45 degrees  | 45 degrees  |
| Touch Solution               | 15.6" flat capacitive touch                         | 15.6" flat capacitive touch                         |
| Secondary Monitor (optional) | 10.1" TFT LCD, 1024 x 600 (max.)                    | 10.1" TFT LCD, 1024 x 600 (max.)                    |
| RAM                          | 1GB DDR3 as standard, 2GB is optional available     | 2GB DDR3 as standard, 4GB is optional available     |
| Storage                      | 8GB as standard, 16GB / 32GB are optional available | 8GB as standard, 16GB / 32GB are optional available |
| Network                      | 100M adaptive                                       | 1000M adaptive                                      |
| WIFI                         | WIFI 802.11 b/g/n (2.4G)                            | WIFI 802.11 b/g/n (2.4G)                            |
| Extend Card                  | 1 x TF card   | 1 x TF card , 1 x SIM card                          |
| MSR                          | Yes (optional)                                      | Yes (optional)                                      |
| Ports                        | 4 x USB 2.0   | 1 x 12V DC INPUT (DC2.5)                            |
|                              | 1 x RS232 (RJ48)                                    | 1 x RS232 (DB9M)                                    |
|                              | 1 x LAN (RJ45)                                      | 4 x USB2.0  |
|                              | 1 x Cash Drawer (RJ11)                              | 1 x LAN   |
|                              | 1 x Audio Line-out                                  | 1 x TF Card   |
|                              | 1 x Power Input (DC 12V)                            | 1 x SIM Card  |
|                              |   | 1 x Audio Line-out                                  |
| Power Adaptor                | AC 100 ~ 240V / 47 ~ 63Hz                           | AC 100 ~ 240V / 47 ~ 63Hz                           |
|                              | DC 12V, 4-pin                                       | DC 12V, DC2.5                                       |
| Work Environment             | -10~50 degree, 15%~90%                              | -10~50 degree, 15%~90%                              |
