BN-CS1001 Series

Let the fun begin with smile!

This kid's round spider web tree swing is a quick addition to your garden. Sized at 60cm-120cm diameter, it is large enough to seat several children and is built with a sturdy metal frame with padding and nylon rope to ensure it won't break. It is attached to thick hanging rope to attach to trees and swing sets with absolute confidence and being weather resistant it will look fresh for many years to come. It's the perfect garden getaway item, providing you a spot to read, listen to music and relax in peace.

SWING WITH FRIENDS!

Share with Your Friends

Extra large 40 inch diameter fits four children or two adults and the 600 pound weight capacity allows multiple people to swing and play at the same time!

ADJUSTABLE HEIGHT

Adjustable Height

Rope length is adjustable to fit your tree or backyard swing set. Encourages outdoor, electronics-free play! Fun for the whole family and it's something to smile about!

Fully Assembled or Detachable

Comes fully assembled for instant fun, saving you time and hassle. Plus, factory assembly ensures your tree swing is put together safely

BN-CS4001 Series

More Fun, Better Way to Spend with your family.

If you have a yard or garden area and a sturdy tree you definitely need one of our swings. Tree swings have provided centuries of entertainment all around the world. Great for backyards, playgrounds, indoor play areas Provides a fun hang out spot for kids (and adults) to safely swing into action for playtime or relaxation.

600D Oxford Fabric

True 600D Oxford fabric which is thicker and stronger than 300D. Can seat 5 kids or two adults. Weight rated to 700 pound as a great tree swing to ensure the security.

Easy Install

Included with every swing, you will receive all the necessary tools and detailed step by step picture instructions. The design is extremely simple so we're confident you'll have it up and flying in minutes.

Unique Design

Logo and delicate printing are supported to satisfy your unique design.

UV resistance and Waterproof Coating

The Tree Swing Sprayed with the PU coating become waterproof and can use outdoor and indoor, And 900D oxford fabric holds a good amount of strength.

Multiple Braided Ropes

Rope casing: Avoid scratching the child's hand. The material is environment-friendly. PE rope: the special weaving method is very strong, wear-resisting, the work is precise, ensure the safety of swing.
