◆ Type designation

◆ Technical data

Specifications	
Rated voltage(v)	230V
Poles	1P
Power loss	0.5W
Cross-sectional area	16mm ²
Mounting type	Din rail embedded
Color	Red, Green, Yellow, Blue
Model	CQIL6 Convex , CQIL7 flat

◆ Conductor requirements and cross sections

Copper nominal cross-section (mm ²)
1.5~2.5

◆ Order Specifications

- When ordering indicator lights, specify the following points:
 - A) product models, such as CQIL6;
 - B) order quantity, such as 100 pcs
- Purchase order template CQIL6 100pcs

◆ Dimensions(unit:mm)
