Patented product
counterfeiting is not allowed.

Patented product
counterfeiting is not allowed.

Folding magnetic go game is made from HIPS/HDPE. These food grade materials are eco-friendly and safe for children to use. The magnetic feature of the product keeps the Go pieces sticking on the Go Board which can help prevent the accidental move during the game. After the game you only need to put the go pieces into the storage boxes we provided, which is a convinced and fashion design for you.
